THREADS studies are designed to cultivate the faith life of your students in a holistic way. The recommended studies are broken down below according to categories and class. We encourage you to use this as a path for discipling your students over the next few years.

**OUR STUDIES ARE BASED ON FOUR MARKERS:**

- **Depth:** Hard-to-talk-about topics, the tough questions, and complex Scriptures
- **Community:** Learning to live life alongside others, the ins and outs of accountability
- **Responsibility:** What it means to care for our neighbor, serve the poor, spread the gospel
- **Connection:** What it means to be a mentor, to be a leader, and to be a good follower too
